Activity F1 – Workplace Land Preparation

While completing your practical work, answer the following questions based on the farm you are working at:

1. When and where was the last soil sampling performed on your farm?

2. Why was this soil sampling performed?

3. What were the results of the soil sampling?

4. What was the last soil preparation activity performed on your farm and why was it needed?

5. How is erosion managed on your farm?
