Activity F1 – Workplace Manipulation Planning

While completing your practical work, answer the following questions based on the farm you are working at:

1. What plant manipulation activities have been practiced on your farm in the last year?

2. Who oversees the manipulation practices?

3. How many workers are involved in manipulation?

4. How is the need for manipulation practices determined on your farm? Use a specific example of a recent manipulation practice.

5. Who determines the need for and orders equipment and tools for manipulation?

6. Where is manipulation equipment stored?

7. What personal tools and equipment are used for manipulation on your farm?

8. What mechanical equipment and vehicles are used for manipulation on your farm?
