Activity F1 – Workplace Ongoing Monitoring

Answer the following questions based on the farm you are completing your work experience at:

1. How many scouts are involved with nutrition monitoring on your team?

2. How regularly do these scouts meet with supervisors?

3. How do scouts record data from their scouting?

4. Who manages the scouts?

5. Which lab are samples sent to for nutrition monitoring?

6. Do you work with experts for your scouting or sampling? Why or why not?

7. What training have your scouts received and from whom?
