Chapter 1

Activity P1

Complete this activity to test your knowledge of the entire chapter:

1. What is maintenance?

The actions performed to keep assets, tools, equipment, and infrastructure in a good, working condition for as long as possible.

2. What is maintenance planning?

Creating plans to make sure that maintenance is always performed when it should be, by the right people, in the right way.

3. What does it mean for maintenance to be preventive?

It involves regular, scheduled maintenance practices to prevent issues before they occur.

4. Are maintenance plans all the same?

No, they will vary from farm to farm.

5. What are the four main parts of a maintenance plan?

An inventory, specific maintenance actions required, any additional necessary details, and a budget.

6. When should your maintenance plan be reviewed?

At least yearly, or in the event of consistently poor maintenance.
