## Activity F1 – Workplace Logistics

4

# Activity F1 – Workplace Logistics

While completing your practical work, answer the following questions based on the farm you are working at:

1. What distribution channels does your farm sell its fruit through?

| Pertinent Information                                                                      | Marks Awarded: |
|--------------------------------------------------------------------------------------------|----------------|
| Distribution channels listed (e.g. Wholesalers, distributors, sales representatives, etc.) | 2              |

2. What modes of transport does your farm use to get its fruit to market?

| Pertinent Information                                  | Marks Awarded: |
|--------------------------------------------------------|----------------|
| Modes of transport listed (e.g. Road, rail, sea, etc.) | 3              |

3. Why were these modes of transport selected?

| Pertinent Information                                                                                                                            | Marks Awarded: |
|--------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Reasons for specific modes of transport listed for each mode listed in previous question (e.g. We selected rail since we are near a railway hub) | 6              |

4. Which market(s) is your fruit sold on?

| Pertinent Information                                | Marks Awarded: |
|------------------------------------------------------|----------------|
| Market(s) listed (e.g. Domestic, export, processing) | 2              |

5. Is your farm part of a cooperative? Why or why not?

| Pertinent Information                                                                                         | Marks Awarded: |
|---------------------------------------------------------------------------------------------------------------|----------------|
| Yes/no to farm being in cooperative or not                                                                    | 1              |
| Reason for membership (or lack thereof) (e.g. We are not in a cooperative because there are none in the area) | 3              |

6. Who manages the distribution channel and logistics budgets on your farm?

| Pertinent Information                                                           | Marks Awarded: |
|---------------------------------------------------------------------------------|----------------|
| Personnel in charge of distribution channel and logistics budget on farm listed | 2              |

7. Who manages contracts with logistics service providers on your farm?

| Pertinent Information                                                      | Marks Awarded: |
|----------------------------------------------------------------------------|----------------|
| Personnel in charge of logistics service provider contracts on farm listed | 2              |

8. How is the level of service delivery by logistic service providers monitored?

| Pertinent Information                                                                                                                                                      | Marks Awarded: |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------|
| Method of monitoring service delivery described (e.g. We judge our service providers by the final quality of our fruit and their reliability in keeping to agreed targets) | 3              |

9. What sustainable practices form part of your farm's logistics management?

| Pertinent Information                                                                                                       | Marks Awarded: |
|-----------------------------------------------------------------------------------------------------------------------------|----------------|
| Sustainable logistics practices employed on farm listed (e.g. Environmentally friendly packaging, renewable energy sources) | 3              |

|                                                                                                                                                              |                       |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------|
| 10. What infrastructure limitations are found on or around your farm?                                                                                        |                       |
| <b>Pertinent Information</b>                                                                                                                                 | <b>Marks Awarded:</b> |
| Infrastructure limitations listed (e.g. We have badly maintained roads in the surrounding area)                                                              | 2                     |
| 11. Who manages the supply chain of your fruit on the farm?                                                                                                  |                       |
| <b>Pertinent Information</b>                                                                                                                                 | <b>Marks Awarded:</b> |
| Personnel in charge of supply chain management listed                                                                                                        | 2                     |
| 12. Do you work with an integrated supply chain management company? Why or why not?                                                                          |                       |
| <b>Pertinent Information</b>                                                                                                                                 | <b>Marks Awarded:</b> |
| Yes/no to farm working with an integrated supply chain management company                                                                                    | 1                     |
| Reason for working (or not working with) one of these companies (e.g. There are no companies that service our area for a reasonable fee)                     | 3                     |
| 13. How were the firms that form part of your supply chain selected?                                                                                         |                       |
| <b>Pertinent Information</b>                                                                                                                                 | <b>Marks Awarded:</b> |
| Method of firm selection for supply chain described (e.g. We selected them based on recommendations from other growers in the area who had worked with them) | 2                     |
| 14. Who manages the cold chain for your business?                                                                                                            |                       |
| <b>Pertinent Information</b>                                                                                                                                 | <b>Marks Awarded:</b> |
| Personnel in charge of cold chain management listed                                                                                                          | 2                     |
| 15. Is your fruit pre-cooled on farm? Why or why not?                                                                                                        |                       |
| <b>Pertinent Information</b>                                                                                                                                 | <b>Marks Awarded:</b> |
| Yes/no to fruit being pre-cooled on farm                                                                                                                     | 1                     |
| Reason for pre-cooling (or lack thereof) listed (e.g. We cannot afford a pre-cooling facility)                                                               | 3                     |
