Activity F1 – Workplace Logistics

While completing your practical work, answer the following questions based on the farm you are working at:

1. What distribution channels does your farm sell its fruit through?

2. What modes of transport does your farm use to get its fruit to market?

3. Why were these modes of transport selected?

4. Which market(s) is your fruit sold on?

5. Is your farm part of a cooperative? Why or why not?

6. Who manages the distribution channel and logistics budgets on your farm?

7. Who manages contracts with logistics service providers on your farm?

8. How is the level of service delivery by logistic service providers monitored?

9. What sustainable practices form part of your farm's logistics management?

10. What infrastructure limitations are found on or around your farm?
11. Who manages the supply chain of your fruit on the farm?
12. Do you work with an integrated supply chain management company? Why or why not?
13. How were the firms that form part of your supply chain selected?
14. Who manages the cold chain for your business?
15. Is your fruit pre-cooled on farm? Why or why not?
